Debtor(s) hereby submits such portion of future earnings or other future income as herein provided to the supervision and control of the Trustee as necessary for the execution of the Plan as herein provided.

Debtor proposes to PAY TO THE TRUSTEE the Base Amount indicated in Section I, Part "A" hereof. If applicable, cause exists for payment over a period of more than three (3) years.

If the Plan does not pay 100% to all creditors, the Base Amount shall not be less than the sum of the allowed administrative expenses plus the allowed priority and secured claims (with interest if applicable) plus the greater of the unsecured creditors' pool, or the 11 USC 1325(a)(4) amount (Best Interest Test).

Payment of any claim against the Debtor may be made from the property of the estate or property of the Debtor(s), as herein provided.

To the extent interest is provided, interest will be calculated from the date of the Petition. The principal balance owing upon confirmation of the Plan on the allowed pre-petition arrearage amount shall be reduced by the total of adequate protection paid less any interest (if applicable) made to the respective creditor by the Trustee.
